Dharaka Pranamy
Mahadhika Damar

Laboratory Assistant at
RPLGDC Laboratory

May 19, 2021, Muhammad
worked with Dharaka Pranamy
in the same group

Irsyad and I work together at RPLGDC Laboratory. He is a very nice person, hard-working, has a good attitude, humble with his friends, and also smart. His skills in game development are very well, especially in programming.

Student || Assistant Lecturer
& Laboratory || Telkom
University

May 10, 2021, Muhammad

Irsyad and I worked together at the RPLGDC laboratory, and he helped me a lot, whether it's a college subject or laboratory matter. His easy-going is very well, he will help you when you ask for help and guidance.
